

Humanitarian/Emergency/Disaster Response Blanket

\$5.50

7210-00-119-5335

Warm, durable wool blanket. At its core, blanket features insulation surrounded by a 70/30, synthetic/wool blend that retards fire and heat, yet offers warmth. Ideal for covering victims in a shock or rescue personnel needing a warm, comfortable retreat.

Olive Drab

Tarps/Salvage Covers - Flame Retardant

Protect or conceal your equipment or supplies while eliminating condensation. These covers can also be used at the scene of a fire to protect property from water damage and foul weather. Canvas tarpaulins are water-resistant, yet, breathable and strong. All double-stitched seams and hems with brass tie-down grommets spaced approximately 24" apart all around. Treated with a fire and water resistant finish. Meets Military Specifications
